

GENERAL PURPOSE OFFICES

6.0 m x 3.0 m

← Roof fall

Features

Our buildings have the following features:

- Strong steel base frame.
- Insulated panel walls and ceilings, (maintenance free and hard wearing, warm in winter and cool in summer).
- Vinyl or carpet flooring, (to suit your requirements).
- Aluminium sliding windows (security grills optional).
- Sturdy doors with deadbolts.
- Lifting hooks for easy delivery and manoeuvrability.
- Built in power points and lights ready for your connection on site.
